Certifications must be issued by a third-party accredited body with an accreditation body present in a member state of the European Union, the United States and the United Kingdom.

Specifically, expenses must be related to:

- A) consulting for obtaining certification;
- B) surveys for initial/final environmental analysis;
- C) training expenses;
- D) expenses invoiced by the certifying body.

The facility consists of a non-repayable contribution equal to 50 percent of eligible expenses up to a maximum amount of € 14,000 + € 250 bonus for companies with a legality rating. Minimum investment of € 5.000.

Applications must be submitted by April 29, 2024.

SGB & Partners has entered into a partnership with a qualified party that can assist our clients in obtaining the certifications that are the subject of the grant.

We therefore remain available for any further information on the subject in question.

The firm remains available for any clarifications.

Kind regards.
